Brief Description

Since 1909, the trade magazine "das spielzeug" has been offering its readers trade and industry know-how - including trade store reports, company portraits and product presentations, which are divided into different subject areas such as licenses, wood, construction, games + puzzles, creative and summer + outdoor. The nine issues are rounded off by up-to-date and reader-friendly interviews, reports on trade fairs and tests from the editorial team.

With our high-circulation, bilingual "Toy Fair Special by das spielzeug," we prepare readers for the upcoming International Toy Fair in Nuremberg.

During the world's leading fair, we also publish our bilingual "Toy Fair News by das spielzeug and baby&junior" on the first three days - packed with the latest news and trends from Toy City. The distribution is directly on the fair with promoter and in Nuremberg hotels.

The website www.dasspielzeug.de complements the print editions with daily news and reports from the industry as well as product information and prize games. Our online portfolio also includes the "das spielzeug" weekly newsletter and social media presences on Facebook, Instagram and LinkedIn.
